LETTER FROM THE PRESIDENT

Hello North Bay Neighbors,

In a public comment at last month's Board of Trustees meeting, resident and Planning Commission member Bill Cosban requested that the Board implement a noise ordinance. Bill was speaking for himself, and others, about noise from construction and yard maintenance early in the morning and late in the evening.

The topic of a noise ordinance has been discussed for some time but the Board has been reluctant to pursue it. The Village's location and size creates a peaceful enclave that we've cherished and maintained through mutual respect and consideration. That's been the case for decades and we believe it is the foundation on which we hope can continue. There are also legal fees associated with new ordinances and we all like to keep our taxes as low as possible

Going forward, please recognize the noise impact of your projects and yard work and consider those living near you. Also, contemplate how you would feel if your sleep or early morning coffee was distrurbd by loud machinery. A friendly reminder to your neighbor might be all that is needed to raise awareness and fix a potential situation.

For Village related emails, please direct messages to: vnbpresident@northbay-wi.us. For all phone calls, please call my home number: 262-681-9353.

Thank you!

Sincerely, President Mark J. Schall

HAPPY 4TH OF JULY!

Due to Independence Day, trash collection will be delayed by one day and will be collected on Tuesday, July 5th.
