LETTER FROM THE PRESIDENT

Hello North Bay Neighbors,

By now you've noticed that North Bay Drive and Hennepin Place are finally free of cones. The water main replacement project is in the final stages and soon the lawns will be in proper order as well. This has been an interesting project and we've learned many valuable lessons that will enrich future phases over the next few years. Once we've correlated all the information the subcommittee will publish a recap. Thanks to all for your patience and cooperation during this initial stage.

And speaking of our streets, with the recent pleasant weather there has been an increase in pedestrian traffic. I'd like to again remind everyone to adhere to speed limits and approach intersections responsibly. North Bay is reasonably unencumbered by traffic signage but that means extra effort is needed to avoid issues. Please be careful and let's all enjoy the spring and summer.

For Village related emails, please direct messages to: vnbpresident@northbay-wi.us. For all phone calls, please call my home number: 262-681-9353.

Thank you!

Sincerely, President Mark J. Schall
